

**Run for the Fallen will finish at Arlington National Cemetery
on Sunday, August 24, 2008.**

**Run with us on our last day, wherever you are, one mile for a fallen
service member. It is on this day that we run together in honor of all
service members killed in both Operation Enduring Freedom and
Operation Iraqi Freedom.**

**Share with us your distance, your mileage, and, if you run in honor
of a particular service member, his or her name. We'll be posting
America's combined mileage on our blog (blog.runforthefallen.org)
and on our website (runforthefallen.org) as a reflection of
remembrance for our beloved heroes.**
